THREE MAJOR PROJECTS APPROVED IN SWAT

Three major projects estimated cost of Rs. 420,223 million under PaRRSA were approved in a meeting of DAC (Divisional Approval Committee) chaired by Dr. Fakher Alam, Commissioner Malakand Division. The official of PaRRSA and line departments also attended the meeting.

The first project would encompass the construction of four roads, including Islampur road, Saidu Shareef to Marghuzar, Nishat Chowk to Shagai and Chinalai to Gal. The financial budget reckoned for the construction of these roads is Rs.272.023 million.

The second project included the construction of Sangota Public School. The devastation of Sangota Public School was one of the heinous attacks made by the militants and had given a tyrannical picture to its existence since then. However, its reconstruction has given due priority via this project. The reconstruction cost of Sangota Public School as per assessment amounts to Rs.89.04 million.

The third project is based on the construction of a free Eye treatment Hospital at Odigram under Layton Rahmatullah Benevolent Trust (LRBT), with financial incurring of Rs.59.160 million for which the people of Odigram donated 20 Kanal of land. The Commissioner Malakand Division directed the officials of PaRRSA and concerned line departments to expedite the progress on the approved projects.
